Age requirements: 12-19 years old (students who are 12 years old by January 1st, 2026 and have not attained their 20th birthday by December 31st, 2026)

Maximum entries: Maximum of 12 events: This may include up to **6 performance events** (performance events are shown in italics), up to **2 elimination events****, and up to **3 athletic events**. Please note that athletic events marked with ** are also elimination events, so they count toward both limits.

Example: Clown Act + **Volleyball** + **400-Meter Relay** + **100-Meter Dash** + **Chess** + Spelling = 6 performance total
Volleyball + **Chess** = 2 elimination total. | **Volleyball** + **400-Meter Relay** + **100-Meter Dash** = 3 athletics total.

This combination is allowed, as long as the student does not exceed 12 events total or 6 performance events.

Only one entry per school is allowed for each event, with the exception of the Christian Service Award category (6 entries max per school).

Every student must supply judges' forms for Music and Platform events.

Only original work from January 2026 may be submitted to the convention. Students may only compete ONCE in any event. No repeat entries are permitted. For more information, please contact: studentconventions.sotafe@gmail.com

Early submissions are to be electronically submitted on/before October 1, 2026.

Register all entries as soon as possible. No changes or additions for events will be permitted after October 1, 2026.
